## Yiveleh (Part 1)-

The music video features well-choreographed violent street fights, heart-pumping gang confrontations and an exhilarating speed chase on motorcycles. It's an action-packed part 1 that is sure to thrill you and a great starter to the Yiveleh music video.

## Yiveleh (Part 2)-

What ultimately came through above all else is the power of family. No one can stop #PU4LYF when they band together as brothers and sisters. The 2 part music video is both catchy and suspenseful with exceptional cinematics. Expect superb music, storytelling and lots of diamonds!
