

What Are Our MPs Smoking?

Posted by [The Guru](#) / 11 - Sep - 2018

1. [Nee Soon GRC MP Louis Ng](#) said. "But the concern which has been raised in this House before is: What are we doing to protect people from secondhand smoke in their own homes?"
2. [Tanjong Pagar GRC MP and surgeon Chia Shi-Lu](#) said he has received numerous complaints from residents about the "nuisance and unhealthy effects of neighbours' secondhand smoke drifting into their flats".
3. [Jurong GRC MP Rahayu Mahzam](#) also recalled how one of her residents, a lung cancer survivor living in a condominium had no choice but to tolerate a neighbour who had a habit of smoking at the window.
4. [Nee Soon GRC MP Lee Bee Wah](#) mentioned that conflicts between HDB neighbours involving cigarette smoke entering other houses are increasing.
5. [Ang Mo Kio GRC MP Gan Thiam Poh](#) has stated that non-smokers have been complaining for years about smokers who smoke along common corridors as well as staircase landings.
